Mrs Amanda McDonald
Mrs Sue Draper
Mrs Fran Morris

GETTING READY FOR SCHOOL

What does your child need to do to settle into school?

- Toileting
- Washing hands
- Using Cutlery
- Dressing
- Taking turns
- Tidying up
- Using scissors

STAYING HEALTHY

- Illness and Sickness
- Check your children's hair weekly
- Make sure they go to bed early (7pm-8pm)
- Send water bottles to school
- Sign the permission form for health checks
- Service Referral Form if a request is made for contact with school nurse

- Community Nurses: 01189 495 054/5

A POSITIVE APPROACH AS A PARTNERSHIP

- **Ensure a safe and stimulating environment** - children safely taking on responsibility, gaining independence, set routines/ structures which give stability and are important at times of change,
- **Create a positive learning environment-** Encouraging children to help in decision making, giving positive attention and encouragement , giving praise,

A POSITIVE APPROACH

Using discipline

We use stars and gems to reward children, and at most, timeout (in) or a visit to the head for poor behaviour

Having Realistic Expectations

Dependent on developmental level

The Difference between Nursery and School

Staffing ratios

Information sharing- workload expectations

TRANSITION – VISITS TO SCHOOL

Your child will have had two opportunities to visit the school before the summer holidays.

Therefore we have arranged the following schedule for September:

Friday 2 nd September	Staff INSET day
Monday 5 th September	Rabbits class 12 appointments in school (15 mins) Teacher and TA: Parent and child Badgers class 12 appointments in school (15 mins) Teacher and TA: Parent and child
Tuesday 6 th September	Rabbits class 12 appointments in school (15 mins) Teacher and TA: Parent and child Badgers class 12 appointments in school (15 mins) Teacher and TA: Parent and child
Wednesday 7 th September	Group A children in for am & lunch Group B children in for pm
Thursday 8 th September	Group B children in for am & lunch Group A children in for pm
Friday 9 th September	All children in for all day (parents find out classes)

SETTING CLASSES & HOME VISITS

- We will be setting children into their classes before they arrive. We will let you know which class your child will be in and who their teachers are by Friday 9th September.
- We have invited you in for school visits, which will be on Monday and Tuesday, 5th and 6th September.
- If your child has Special Needs, please contact the school for a telephone or Teams appointment to discuss how we can help you prepare.
- We will give you an update on how your child has settled during our first parents' evening.

SEPTEMBER ENTRY

- Full school days run from 9:00am until 3:15pm.
- The playground is open from 8:40am, but parents will need to stay with their children until they go into class at 8:55.
- Parents are unable to come into school with their children- this is because of current government guidance.
- Leaving your child at school is a difficult thing to do, especially if they have difficulty separating from you. We promise we will never leave your child in distress, and will always call if they do not settle quickly. The best (and hardest) thing to do is to be cheerful, say goodbye and leave immediately. Linger at the doorway or peeping through the windows does not help your child to settle.

SEPTEMBER ENTRY (CONT.)

FRIDAY 9th SEPTEMBER ONWARDS:

All Classes- 9:00am to 3:15pm

Term dates are available on our school website and reminders are posted on our school newsletter.

A note about absence- what are the rules?

WHAT WILL YOUR CHILD BE DOING?

Early Years Foundation Stage Curriculum

- The **Early Years Foundation Stage (EYFS)** is a framework that sets the standards for learning, development, and care in early years settings. It ensures that children aged from birth to five learn and develop well, and are kept healthy and safe.
- The framework applies to all Ofsted-registered early years providers in all settings in England, including Reception classes
- Parents should have an awareness of the EYFS so that they know what and how their child will be learning, and what sort of support they should expect from an early years setting.
- The EYFS changes, which apply from 1st September 2021, are occurring in several different areas.

Safeguarding

- There have been some minor changes to the safeguarding and welfare section, including a need to “promote the good health of children”, including oral health. In practice, this means teaching children about healthy eating habits and the importance of brushing your teeth

Early Learning Goals

- The **Early Learning Goals (ELGs)** – which summarise the knowledge, skills, and understanding that all young children should have gained by the end of the academic year in which they turn five – have undergone several changes.
- The seven areas of learning and development (communication and language, physical development, personal, social, and emotional development, literacy, mathematics, understanding the world, expressive arts and design) are the same, but the depth within each of them is greater and they contain more examples of how to support children.

CONTINUED

- Phonics
- ICT and our Internet Policy
- RE and Collective Worship
- National Curriculum
- Gem Power

TAPESTRY

- We use an online programme called Tapestry to support the evidence base and evaluations that we make about children during their time in EYFS.
- You will be provided with a Tapestry login, so that you can see what your child has been learning and doing, and also so that you can contribute to our evidence with pictures of activities you have done at home.
- When you login to Tapestry there is an option to have a tutorial on how it works so that you can get the best out of your Tapestry experience.
- If you have difficulties let us know as soon as possible.

UNIFORM

PLEASE LABEL!

School jumpers or cardigans

White polo shirt

Trousers, Shorts, Skirt
